

The International Betting Technology Business, Sportech PLC is Delivering a Winning Experience to the Global Gaming Industry.
LSE: SPO

Sportech is a world leader in the highly-regulated global gaming technology sector, holding a dominant position in pari-mutuel pools betting, a growing position in raffle and lottery products, and exclusive gaming operator licences in Connecticut, USA.

Sportech operates under four distinct business segments in highly-regulated gaming markets worldwide.

RACING & DIGITAL

Leading global provider of technology and service to the pari-mutuel betting industry with systems that process over \$12 billion annually for clients in 37 countries.

440+ customer sites

15K race meetings per year

VENUES

Holder of exclusive licenses to conduct pari-mutuel betting through Sportech's Winners branded venues and through its web and mobile betting channels in Connecticut, U.S.

BUMP 50:50

Innovative provider of digital sports raffle solutions to the foundations of some of North America's best-known major league and collegiate sports teams, special events, and charitable organizations.

95 clients as of 1/1/2020

\$51M raised for clients to-date

LOTTERY

UK Gambling Commission-licensed provider of award-winning Lottery games and iLottery software with clients from some of the worlds' biggest gaming companies.

200+ lottery draw types

23 years delivering lottery solutions

Our strategy includes further evolving our technologies, global footprint, and exclusive licences to strengthen our leading position in the widening U.S. and global gaming industry.

SPORTECH RACING & DIGITAL

- Sportech Racing and Digital is the largest international provider of pari-mutuel wagering technology.
- The division provides technical and service solutions that facilitate pools/tote betting for a global customer base of racing and betting operators.
- The proprietary Quantum™ System is the world's most-widely deployed pari-mutuel betting system, built for exceptional scale, efficiency, and reliability.
- Sportech's Quantum™ System, global service delivery network, digital platforms, and betting device technologies have driven geographic expansion and rapid expansion of cross-border pooled bets.

SPORTECH VENUES

- Sportech operates 14 venues and web and mobile digital betting services in Connecticut, U.S. under exclusive and perpetual licences with the ability to add up to 10 additional locations in the State.
- Sportech is well-positioned to offer a wider portfolio of sports and gaming products as/when permitted by law and management is actively pursuing the extension of its current licence to include sports betting through legislation in the State of Connecticut.

A Sportech Venue in Connecticut, USA.

BUMP 50:50 RAFFLES

- Bump is a leading provider of charitable gaming solutions for sports teams in the NFL®, NBA®, MLB®, NHL®, MLS®, and NASCAR, among others.
- Bump's client list has expanded to include university and collegiate sporting event clients as well as charitable organizations not associated with sports.
- Bump uses proprietary GLI Certified technology to provide in-stadia and online raffles and complements its technology with proven marketing strategies for maximizing raffle sales.

Bump 50:50

LOTTERY

- Sportech has been providing Lottery solutions to licensed B2B clients for over twenty years. In 2019 Sportech acquired UK Gambling Commission-licensed provider of lottery solutions to expand our Lottery capabilities with innovative digital platforms and a suite of analytical tools.
- Sportech now offers over 200 multi-currency, multi-lingual lottery games as well as complete plug-and-play iLottery platforms.
